

IF YOUR HAIR DOESN'T GROW FAST ENOUGH...

✓ OR, IF YOUR HAIR DOESN'T HAVE ENOUGH VOLUME...

Every woman who dreams of a long, full head of hair reaching down to her waist can get a bottle of Capilong PSB/33 worth \$19.95 FOR FREE, when you place your order within the next 21 days.

When he saw my hair grow 1 1/2 inches in a month (and virtually double in volume) my hairdresser couldn't believe his eyes.

"Last May, my best friend returned from Brazil. 'Try this on your hair,' she said. 'It will make it grow a couple of inches within two months.' And she gave me a bottle labeled Capilong PSB/33."

"I said: 'I don't believe in miracles.' She smiled and answered: 'I used to be like you. But look at my hair. It got this long and thick in just one month. Anyway, what can you lose just by trying?'"

"I said: 'OK!' But what happened next was incredible."

"At the end of the month, I couldn't believe it. My hair was far longer (1 1/2 inches) than it had been before. Its volume doubled. It was silkier. It was no longer brittle. When I brushed, my hair didn't come out like it had before."

"I completed the treatment 3 months ago. My hair is the length I like now. It is so full I hardly ever go to my hairdresser any more. I wash and dry it... and that's all!"

"When my hairdresser saw me again, he could hardly believe his eyes. He said: 'I've been working in the best salons for 11 years, but I've never seen anything like this. What did you do to get such beautiful hair?'"

"Now people stop and stare at me as I walk through the streets. Many ask me what I did to have such beautiful hair."

"I think I was most moved when my boyfriend said: 'It's amazing: it's like your new head of hair has turned you into a younger woman.'"

- ✓ Even if your hair barely grows at all right now...
- ✓ Even if your hair is fine and brittle...
- ✓ Even if you have already tried all sorts of lotions...

Developed in France by a French scientist following the discovery of a new growth molecule, this capillary treatment immediately encourages rapid growth... and produces an amazingly full head of hair. Proven Results.

Perhaps you have wondered why your hair is so fine and brittle? Why it doesn't naturally grow on its own to lengths of 20, 25, even 30 inches – like you've seen on other women?

The answer is: simply because your scalp lacks the nutritive substances for your hair roots to grow normally.

◆ **Scientifically Proven**
If your hair roots wither, your hair splits and growth is sparse. That's why you don't get the long flowing hair you want. Capilong PSB/33 now lets you remedy this deficiency.

1. Capilong PSB/33 frees clogged roots and nourishes each root with a powerful growth molecule.

2. This molecule feeds each root the same way fertilizer feeds a plant, and helps your hair grow faster.

◆ **Fast Results**

You'll see your hair is thicker and fuller the very first week. In 2 or 3 weeks, you'll be able to measure your hair and see how much longer it's grown. Your friends, family, fellow workers, and everyone you meet will be impressed by this growth.

Moreover, Capilong PSB/33 contains the 100% natural protein compound called Nutrilans – to immediately make your hair richer, healthier, silkier and much fuller.

◆ **How to Use Capilong**

Using the applicator on the bottle, place 15 drops of Capilong PSB/33 on your scalp every night before sleeping, then softly massage it in. Hair specialists recommend you rub your hair much more gently than you would rub skin. Just place your fingers on your scalp and ease your scalp back and forth in small brisk motions, to stimulate blood flow. Accompanying instructions explain this simple process step by step.
